

Imagen de test realizado por Osvaldo Gonzalez

The screenshot shows a Java test interface. On the left, a sidebar lists various test categories and individual tests. The main window displays a 'Summary' window for a 'Foundation Test' taken on 25 Jul, '25 09:28 a. m.'. The summary includes statistics such as 'Correct Answers: 42', 'Total Questions: 78', 'Time Taken: 02:25:08', and 'Total Time: 02:46:24'. Below the summary, a table lists individual questions with columns for 'S...', 'Marked', 'Atte...', 'Result', 'Exam Objective', 'Difficulty L...', and 'Problem Statement'. The table shows a mix of correct and incorrect answers. At the bottom, there are instructions for the test, including 'Consider yourself well prepared once you start passing standard tests in first attempt.' and 'Ignore score if you take the same standard test again.'
